

**REMARKS / ARGUMENTS**

Reconsideration of the application as amended is respectfully requested.

For clarification, the "power source" recited on line 8 of claim 4 is the same power sources recited on line 6.

Claims 6-8 were objected to a being dependent on a rejected base claim, but were considered allowable if rewritten in independent form. This was done in the response to the prior action. Applicant would respectfully request that the examiner review these claims, and should any objection remain to contact applicant's representative at the number below.

Therefore, in view of foregoing amendments and clarifications, the applicant submits that allowance of the present application and all remaining claims, as amended, is in order and a formal Notice of Allowance is respectfully requested at the earliest possible date.

Respectfully submitted,
